FOR IMMEDIATE RELEASE

We are pleased to announce our subscription to Crime Stopper Alert™, [www.CrimeStopperAlert.com](http://www.CrimeStopperAlert.com). This service will enable us to immediately broadcast community alerts for a variety of reasons, such as Wanted Suspects, Crimes, Missing Persons, Dead Beat Parents, etc. and allow us to engage the community with our needs.

These alerts are immediately broadcasted to web sites and individual desktops that have placed the Free Crime Stopper Alert Notification Ticker on them.

The immediacy and urgency of issuing these alerts within the community will dramatically improve our ability to solve individual cases in a quicker and more effective manner.

The Crime Stopper Alert Notification System has been designed, developed and maintained by WEB-Link Technologies, an Internet development firm based in Columbus, Ohio USA. WEB-Link Technologies is a leader in the development of Crime Stopper and Law Enforcement tools, such as Crime Stoppers Wanted, [www.CrimeStoppersWanted.com](http://www.CrimeStoppersWanted.com), as well as other leading Internet application software. Mark LeJeune, president of WEB-Link Technologies, states "We are very pleased in launching this powerful initiative into the world wide community. The Crime Stopper Alert Notification System is a giant leap forward in empowering Law Enforcement Agencies with the tools necessary to perform their jobs better."

Crime Stopper Alert is a free service to the Law Enforcement Agencies and the communities it serves. Crime Stopper Alert relies on corporate & business sponsors and individual donors to assist in the support of its service.

Please visit [www.CrimeStopperAlert.com](http://www.CrimeStopperAlert.com) to obtain your free ticker in order to begin receiving our important alerts.
